Welcome...

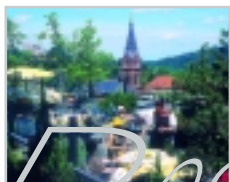

...to Kellner's SPA****
in Badenweiler, a picturesque town in the Black Forest.

SPA – Sanus per aquam:
This health-giving thermal spring was already discovered in Roman times.

Located in a charming Victorian-style building dating back more than 100 years, the four-star hotel and SPA offers its guests medical care, extensive wellness facilities and the latest beauty treatments.

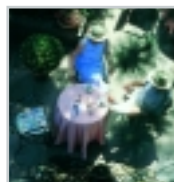

Hotel

Classical and Mediterranean cuisine with market-fresh local produce served in an exclusive setting.

Badenweiler is located in a region where the borders of Switzerland, France and Germany meet, an area of romantic landscapes with a rich and diverse culture.

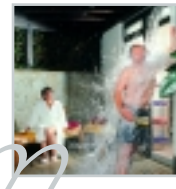

Restaurant

We combine the expertise of the SPA community with the skill of the medical profession to create an ideal environment for the maintenance and pursuit of beauty, health and wellness.

Our SPA offers an integrative approach to health care and combines comprehensive physicals, diagnostic testing, alternative medicine, consultations and lifestyle guidance with the aim of treating the whole person.
